

Public Poll Findings

June 2014

1. **Would you prefer to live in a state with a clear Jewish majority, or would you prefer to live in a state where half of its people Jewish and half Arabs?**

	Entire Sample
A state with a clear Jewish majority	97%
A state where half of its people are Jewish and half are Arab	3%

2. **Without an agreement with the Palestinians Israel may find itself in a reality of a bi-national state, that includes Israel, the West Bank and Gaza. It will have 6.5 million Jews and 5.8 million Arabs. In light of these facts, would you prefer that Israel will be a state with a clear Jewish majority or that she will continue controlling the West Bank and Gaza and throughout the years becomes a half-Jewish half-Arab state?**

	Entire Sample
A state with a clear Jewish majority	88%
To continue controlling the West Bank and Gaza and to become throughout the years a half-Jewish half-Arab state	12%
